- 3 Ask in a friendly way, "Hi, may I join you?"
- 4 Accept the answer by saying "Thank you" or "Okay".

What you can do at home

SAY HELLO AND SMILE

Practice skill steps with your child to help him/her relate with others and make friends easily. Encourage them to say hello, good morning and smile at their new friends and teachers. These greetings are a great way to connect with people.

Do a short role-play with your child to practise these steps for joining in activities:

- saying hello with a smile and introducing him/herself
- asking politely if he/she can join the group
- thanking them for choosing to include him/her
- saying and feeling okay even if they choose not to

Are you excited to meet your new friends? What do you do or say when you meet your new classmates or join them in group activities? Let's try it!

Quick Info:

- The Programme for Active Learning (PAL) helps your child to discover his/her interests and how to relate and work with peers through Sports and Games, Outdoor Education, Performing Arts (Dance, Drama and Music) and Visual Arts.

Explain how doing the above helps him/her to:

- make others feel comfortable
- prevent conflict with new classmates
- be confident
